Message from the Chair of the Fé Foundation

To our graduates: On behalf of the Board of Trustees, I would like to congratulate all the graduates of the FE class of 2015. You have shown that you dare to be different than your peers by investing nearly half of your summer vacation to a unique experience and prestigious program. Your commitment and hard work has made our program successful.

We have faith (Fé) that you will become the future leaders in our community and in your fields of study. It is wonderful to see students from many different high schools across the Lehigh Valley work together, make new friends, learn new skills and have fun exploring your careers. I would like to encourage you to continue to seize similar opportunities to better yourself and continue to strive to improve your community. You can be successful and use your talents to transform our community.

To our supporters: On behalf of the Board of Trustees, I would like to thank all of our supporters for all that you do because without you we would not have this program to inspire our future leaders. It is because of your support that our students can experience this once in a lifetime opportunity at no cost to them. Today you see first-hand what the Fé Foundation is all about. You can see the new friendships forged and you can hear the students talk about how this program has impacted them. Their initial week stay at DeSales University not only taught them new entrepreneurial skills, but also gave them a taste of college life. Their next four weeks let them explore their career interests through internships with local businesses. This two part program revealed to them that a college education and a career with a local business is an attainable goal. Our goal is to promote an entrepreneurial spirit within the youth of the Lehigh Valley to transform our communities by bringing together students, university faculties, and local businesses.

Please continue to help the FE Program by donating, advocating, and volunteering. You can visit our website at: www.fe-foundation.org

Sincerely,

Fidel Gonzalez, Chair

A close-up photograph of a woman with dark brown hair and bangs, smiling broadly at the camera. She is wearing a white t-shirt and a silver-toned metal link bracelet on her left wrist. Her hands are positioned in front of her chest, with her fingers interlaced to form a heart shape. The background is a bright blue sky with soft, white clouds. The Aetna logo is visible in the top left corner of the image.
